41. Because sharenting can help ease the social isolation that comes with this period in their children's lives.

42. *When parents oversharent, their children may make up information about their lives to better control what can and can't be posted about them.*

According to the passage, their children may withhold information about their lives from their parents to better control what can and can't be posted about them.

43. 略。

第二节（20 分）

Dear Jim,

I'm writing to invite you to join our school's upcoming event themed "Traditional Chinese Medicine Culture".

Our school will be holding the event from 2 pm to 5 pm next Friday in the school lecture hall. During the event, experts will share the history of TCM as well as its use in modern healthcare. We can even have an opportunity to sample some traditional Chinese medical treatments, like herbal medicine and cupping. Sounds interesting, isn't it?

I'm sure this event will be as informative as it is fun. Would you like to come? I really hope you could make it to the event and experience the magic of TCM with us.

Yours,

Li Hua
