Dear new friends,

Welcome to our middle school. English is an important subject for us. I'm good at English and I'm glad to share my experience with you.

First, to improve my listening skills, I often watch English movies. Second, I join an English club to improve my speaking skills. Third, I enjoy reading English books, newspapers and so on. Lastly, I have a pen friend from the UK, and we often write letters to each other in English. This helps me improve my writing skills.

In a word, if we keep practicing English, we'll learn it better and better.

I hope everyone can learn English well. Thanks for listening.

题目二:

One possible version:

### How I've Changed!

How time flies! I'm in Grade 9 and I have changed a lot in the past two years.

I used to be short, but now I'm one of the tallest students in my class. I used to be shy and quiet, but now I'm more outgoing.

The most important change in my life is that I have made much progress in English learning. I used to be poor at English. But my English teacher encouraged me and gave me some useful advice. With her help, now I am good at English, and I often get good grades on my English exams, too.

I have changed so much. I believe I can become better and better. I will never forget the unforgettable middle school life!
